about us

OUR STORY

Preset Event Rentals began with one question we couldn't shake: why does event furniture always feel like an afterthought?

You know the routine rushed setups, mismatched pieces, furniture that photographs fine but adds nothing to the room. Functional, but forgettable.

We believed every event big or small, majlis or ballroom, product launch or wedding deserved more than "it'll do."

At Preset, we don't see furniture as filler. We see it as atmosphere, identity, and experience, all delivered on time.

We curate pieces that are considered, current, and ready to elevate a space, not just fill it. From an intimate outdoor gathering in Abu Dhabi to a full-scale exhibition floor in Dubai, every piece we send out is chosen with the same question in mind: will this make the event unforgettable?

No filler pieces. No last-minute compromises.

Just furniture, styled with intention.
@preseteventrentals

so we build it.
